

ICTUS SOLIS

Vin Orange

VINEYARD

Ictus Solis, which means "Le Coup du Soleil," ("sunburn") was born from the passion of the Vignerons Cooperateurs du Périgord for tradition and innovation.

In the heart of a land bathed by the sun, on the southern slopes of Bergerac, in the south-west of France, Ictus Solis reinvents the millenary art of winemaking, a unique orange wine. This wine embodies the essence of the terroir and the richness of the surrounding nature. Each bottle is a tribute to the golden sunlight, which inspires an authentic and timeless taste experience

VINIFICATION

Orange wine is a maceration wine, like reds, but with white berries. Our Orange wine is a wine made from white Sauvignon gris grapes where the grape skins are not removed, as in typical white wine production, and stay in contact with the juice for weeks.

GRAPE VARIETIES

Sauvignon Gris

TASTING

This orange wine reveals beautiful notes of orange blossom and candied apricot, with a nice finish of orange peel.

RECOMMENDED DISHES

Grilled fish

Sushi roll
