

L'Oie du Périgord

If Cyrano is the emblem of Bergerac, the Goose is clearly the one of its terroir. In Dordogne, the human reproductions for this palmiped date from 20 000 years. Doesn't this show that the goose tradition is well established as homage to the terroir. That's the reason why we created this range of wines « L'Oie du Périgord ». A taste of France from Perigord! L'Oie du Périgord is a range of delightful fruity wines produced by the Winemakers of the Perigord Cooperative. A hymn to Perigord, a land of conviviality and gastronomy. This range reveals intense notes of fruits. Enjoy it as aperitif in "Perigourmet" style

VINEYARD

The vineyard is situated in the Périgord Pourpre region in the South-West of France, around the famous town of Bergerac, on clayey-calcareous soils. The IGP Périgord have been recognized Indication Géographique Protégée (IGP) in 1996.
